KoraBridge Logistics Company Profile

KBL-PRO-001 | Version 1.0 | As of 2026-10-15 | Fictional company test fixture

KoraBridge Logistics manages scheduled deliveries and short term storage for business customers in Lagos and Ibadan. Its October priority is to protect customer dispatch dates while a packaging supplier resolves a delayed shipment. The company serves 42 active business customers from its Lagos distribution hub and an Ibadan cross dock.

Services and service area

The company offers scheduled business deliveries, warehouse storage, and returns consolidation. Standard coverage includes Lagos and Ibadan. Abuja is served only by a separately quoted partner route. The company does not offer refrigerated storage.

Customers and suppliers

Cedargrain Foods is a customer for sealed dry goods deliveries under service reference KBL-CGF-2026. This relationship does not include cold chain services. Packaging supplier Northpoint Cartons is registered as KBL-SUP-01. Fleet maintenance provider FleetArc Workshop is KBL-SUP-02.

Current priorities

Project Atlas consolidates dispatch planning into one scheduling board. Tunde Akin owns the project, which has a budget of NGN 18,000,000 and a target completion date of 2026-11-20. Ada Bello approves operating changes; Zainab Sule approves expenditure within the finance policy.

Document authority

The delivery exception procedure KBL-OPS-002 governs escalation. The October delivery status report KBL-RPT-003 records order quantities, dates, and stock as of 2026-10-15. The profile identifies roles and context; it does not approve a purchase or authorize an external message.
